Kaloyan Krastev*

Wednesday 13th March, 2024 [†]

I am a software developer since 2000 with more than twenty years of experience on linux platforms. I have designed applications with a command-line, web and graphical user interface with a source code in multiple programming languages, mainly python and C++.

My recent work is dedicated to embedded operating systems and corresponding applications. As a physicist by education, I have strong skills in scientific data analysis and online visualisation. In addition, I am an expert in open-source software.
